# ABOUT EVENT

Welcome to the world of stock trading! Get ready to dive into a dynamic event that brings together investors, traders, and financial enthusiasts from around the globe. Our Stockrush presents a unique opportunity to explore the intricacies of the financial markets, gain valuable insights into **Stock exchanges and indicators**, and connect with like-minded individuals who share a passion for **trading**.

## ROUND 1

- The participants will start the game with a balance of **Rs. XXX (XXX mock currency)** as soon as they register in the event and join the game.
- The event will continue for **five active days**. Participants will be allowed to make trades with the mock currency available to them for stocks listed on **NSE** and **BSE**.
- There will be a **0.25%** commission trading fee for a **market order**, and a **0.2%** commission trading fee for a **limit order**. This is done to simulate a real world environment for trading Stocks.
- This event will be held **online** on the **Stockgro application**. You can get it for free on: IOS and Android
- A **participation code** will be required to join the game in the **Stockgro Application**. It will be mailed to the participants that registered from the Amalthea Website. The participants need to **register on the Amalthea Website** to be eligible for winning exciting prizes.
- Please join the following **Telegram** channel.

# JUDGING RULES

1. The ranking would solely be based on the portfolio return rates.
2. The **top 30** participants with highest portfolio return rates. The ranking will be dictated by the portfolio return rate as said in the point above. In case of a tie, prizes will be awarded as deemed fair by the organizers.
3. **Top 30** participants would receive a mail regarding screening test for round 2.
4. **Top 20** scorers in the screening test would be invited to participate in Round 2 of Stockrush.

## ROUND 2

It will be a case study based round whose details will be shared on completion of first round.

*"The stock market is filled with individuals who know the price of everything, but the value of nothing."*
