AMALTHEA '23
4-5 NOVEMBER

IIT GANDHINAGAR

D'CODE

CODECHEF
An unacademy Educational Initiative

</> Introduction

IIT Gandhinagar proudly presents **D'Code**, an exhilarating online competitive coding competition set to take place during Amalthea '23. This event promises to captivate coding enthusiasts across India with its stimulating problems and enticing prizes.

</> Event Details

1. **Platform:** The contest will be hosted on CodeChef, a renowned platform for competitive programming.

2. **Venue:** If you're in or near **IIT Gandhinagar**, you can manifest the thrill of the event by reaching **AB1/101** or **AB1/102** and participating along with other like minded individuals! *Offline participants have some additional prizes.* This is capped to **120 participants** (first come, first serve) and participants must reach the venue by **08:55 PM** to avoid any delays. If not, you can always choose to login from anywhere in the world!

3. **Date & Time:** Mark your calendars for the **4th of November 2023**, commencing at **9:00 PM**.

4. **Duration:** Participants will have **2 hours** to showcase their coding prowess.

5. Language Flexibility: D'Code welcomes participants to code in their preferred programming language, as almost all languages are supported on CodeChef

6. Participation Fee: No participation fee makes this event accessible to all.

</> Eligibilty

If you have a programming flair, D'Code invites you to participate. It's an opportunity for anyone with a passion for coding.

</> Contest Format

D'Code shall follow the following contest structure:

- Problems will be binarily guarded.
- Feel free to submit solutions as many times as needed, as there are no penalties for incorrect submissions. Only your best correct submission will be considered.
- In the event of a tie, the participant who achieves score first will be ranked higher.
- Kindly refrain from discussing strategy, suggestions, or tips during the live contest in the comments. You may post questions seeking clarification on the problem statement or email inquiries to feedback@codechef.com.
- For contest-related queries during the event, you can reach out to mrigankshekhar.shandliya@iitgn.ac.in.

</> Code of Conduct

Adherence to the CodeChef code of conduct is expected from all participants.

Only individual participation is permitted.

</> Participation Process

- To participate in D'Code, you must have a CodeChef ID
- Fill out the provided Google Form to express your interest.
- The contest link will be emailed to registered participants.
- Further registration for the contest will be required through the link provided via email.
- Only participants registered on both Amalthea and CodeChef platforms will be eligible for prizes.

</> Important Notes

The organizers reserve the right to modify any of the aforementioned rules as they see fit. Any rule changes will be highlighted on **amalthea.iitgn.ac.in** and communicated to registered participants.

Regularly check **amalthea.iitgn.ac.in** and your email for updates.
